

MSBO school finance reference manual

Sponsored by:

 School Insurance Specialists

MSBO developed the *School Finance Reference Manual* to help individuals understand the complexity of school finance issues.

This easy-to-reference manual provides a collection of school finance materials needed by all school business officials during the year.

The manual is designed to help anyone interested or working in school business, but it was developed with the needs of

new business managers in mind. Whether you're a veteran business manager, a building principal, a staff member, a school board member, a superintendent, a Legislator, or an individual wanting to gain a better understanding of school finance issues; you would benefit from this reference tool.

The *School Finance Reference Manual* is offered online in a members only section of the MSBO website for those that subscribe. It is updated continuously to reflect the latest information on school finance. You always have access to the latest information, online, anytime!

There are currently 27 sections in the Manual with numerous references under many of the sections. The sections include:

- Proposal A
- Headlee Amendment
- Foundation Grant Formula
