

ADMINISTRATIVE FEES/MEMBERHIP REQUIREMENT

In order to partially offset the cost of providing this program to you, the fee is \$100 for each bus ordered through this program, not to exceed \$1,000, for each school district per order per year. This fee shall be billed to your school district as a service charge after your order(s) has been processed to the dealer(s).

The school district must have at least one (1) person with a fully-paid membership in either MSBO or MAPT in order to participate in the MSBO/MAPT Bus Purchase Program.
