

Athletic Field Maintenance Calendar Purchase Form

As Ron Calhoun, Turfgrass Specialist at Michigan State University writes in his introduction to the **Athletic Field Maintenance Calendar**, "It seems there are months where there is no way to keep track of all the field maintenance procedures, tasks and recommendations. Wouldn't it be great if you had an easy to follow calendar that consolidated field maintenance into one easy reference? That tool has arrived."

The **Athletic Field Maintenance Calendar – Great Lakes Edition** is now available from MSBO. This calendar emphasizes "in-season" sports for that month and details priorities for field maintenance. The calendar is organized for you to customize with special contact numbers and notes for each month. It includes an athletic field maintenance glossary and lists useful websites related to athletic turf and turfgrass management. Don't miss out on this great tool. Order yours today!
