MSBO Mission Statement

The Mission of MSBO is to continually improve the leadership of and management in school business and operational services, while enhancing the professional, social, and economic well-being of its members.

Candidate for MSBO President-Elect

Tom Armstrong, CPA, CFO

Business Manager
Fulton Public Schools

It is truly an honor to be a candidate for the position of President-Elect. My time serving on the MSBO Board has reinforced my appreciation of the organization and its members. I have been a member of many state and national organizations. Of those, MSBO is, by far, the most effective. It is gratifying to be a part of an organization that works tirelessly to support its members so that they can provide the very best financial and operational leadership to our schools and students.
