<p>Sec. 6 Pupil Membership Definitions</p>	<p>(4) Calculates a district's pupil membership blend equal to 90% of pupils counted on October count day plus 10% of pupils counted on previous February count day.</p> <p>(4)(r) Beginning in FY 2012-13 requires districts to provide the same number of instructional hours as provided for grades 1-12 to count a full FTE for kindergarten pupils. For districts that provided full-day kindergarten in the preceding two fiscal years by using Federal Title I dollars as funding for the second half-day, requires half the number of instructional hours as those provided for grades 1-12.</p> <p>Requires the MDE, not later than December 1, 2012, to seek clarification from the USED that this is an allowable use of Title I funds. Provides that these changes do not mandate full-day kindergarten. Requires districts to report instructional hours for kindergarten pupils.</p>	<p>(4) Adds that a pupil's participation in an online course as defined under the newly proposed Section 21f counts as regular daily attendance for the purposes of membership.</p> <p>(4)(r) Maintains current law.</p> <p>Deletes these provisions. The Department sought and received clarification from USED that this is an allowable use of Title I funds.</p>
