- I. Call to Order – Kori Rafferty, Chairperson  
Introduction of Members/Guests – Kori Rafferty, Chairperson
  
- II. Approval of February 15th meeting minutes:  
Motion, Scott Thomas, Support Mark Ludlow; Motion passed
  
- III. **Legislative Update-** Jennifer Smith, MASB  
Governor’s budget- Kelly/Hansen not on board with cyber reductions or the shared time reductions in FTE’s. Not including either in the budget. At Risk should be the same – no increase, no changes in language.  
Nov ballot- every seat up, except Peters.  
Marshall plan- need funds to make that happen.  
CSC bills introduced, moving quickly. Changes have been made to language, but still concerns about what consequences. “Should have known” language. Can be brought up again in committee on Tuesday.  
Energy conservation bill- changes language to expand use – energy conservation is added SB5238 SB795 and 796: Prohibit paid union leave time, and not allow for union release time to count towards retirement (no credit given). Means that you would need to track the minutes and not report that to ORS/not pay those minutes/hours.  
House education reform: 5526 A to F letter grading system. Repeals 1280c removes SRO and the takeover. Creates accountability commission, they create the scores for the schools and they determine

what to do with the low performing schools. 13 people on commission. Grades begin next Sept- assigned by MDE. Series of 6 grades, not a summative grade. Currently on the House floor. HB5598-5605: Teacher prep requirements for colleges and universities.

IV. **MiSuite Software-** Steve Ezikian and Brian Schupbach

Steve and Brian reported on the MiSuite software package

V. **MSBO Update**

Annual Conference- Register! MSBO has contacted the Wayne County universities and invited accounting/finance students to the annual conference (Thursday).

VI. **Old Business - Roundtable Discussion/Announcements**

Discussed:

**GSRP-**Brian Whiston has stated that no ISD will be required to move/change fiscal or grant years for GSRP. May be language coming that states the fiscal year cannot be mandated by MDE.
