3

## FID Submission

- Section 18(10) – State Aid Withholding
  - Failure to comply **OR**
  - Department determines that FID data not consistent with audited financial statements
- Importance of data quality
- Compressed timeline for analysis and corrections (SBO, Legislature, ESSA)

4

## FID Checks

- State School Aid Revenue
  - Should be reported consistent with the Accounting for State School Aid Revenues document found at [http://www.michigan.gov/documents/saacct03\\_45776\\_7.pdf](http://www.michigan.gov/documents/saacct03_45776_7.pdf).
  - FID amounts will be checked with August State Aid Status Report.
  - Suffix Codes most common issue last year
- CEPI Pre-Check (new)
  - Will be pre-checking submitted data week of October 17<sup>th</sup> and notifying districts with potential discrepancies of state aid revenue on October 24<sup>th</sup>
  - Should be automated within system next year (warnings/errors)

5

## FID Checks

- Audit checks
  - General Fund balances
  - Federal revenues and expenditures
  - USDA Entitlement and Bonus Commodities
    - Must use appropriate grant codes
- Most affected by Section 18(10)
  - Discrepancies must be resolved timely to avoid State Aid withholding

6

## FID Checks

- Fund Modifications
  - Both revenue and expenditure side of transfer should use Major Class Code/Function Code 6xx, xx = fund transferring to or from
  - Built-in edit check in FID to ensure fund modifications in equal fund modifications out
- General Fund transfers to Capital Projects and Debt Service
  - Not more than 20% of total state aid
  - If 20% is exceeded due to local revenue, notify SASF/district will receive notice from MDE
- Utilities and Energy Supplies (Object 55xx)
  - Should be >\$0

7

## FID Checks

- Confirm calculated average teacher salary is reasonable
  - District File Status page
  - Highly sought after by a variety of stakeholders
  - Verify accuracy of REP data (collection closes prior to FID submission) and proper coding of FID data
  - Checked for both reasonability and % change from PY
- Significant % changes in PY to CY data also reviewed when preparing federal reports
  - Districts may be contacted as late as March for coding clarification or corrections

8

## FID Checks

- Adult Education
  - If reporting Adult Education expenditures (Functions 13x), must also report Adult Education participants in MSDS
    - Exception: Consortiums/Multi-district programs – may receive notice from MDE
  - Alternative High School expenditures should be included in the High School Function 113
  - If charging tuition or providing instruction free of charge to community members, use a Community Services function (3xx)

9

## How is FID Data Used?

- Bulletin 1011
  - Financial information grouped by district size (pupils)
  - Sorted by fund, also shows assets and liabilities
- Bulletin 1014
  - Financial information sorted by district and ranked per-pupil
  - Revenues by source, expenditures by function
  - Also includes taxable value and pupil count information
- MI School Data / Transparency
- Maintenance of Effort
- Indirect Cost Rate Calculations
- Federal Reporting / Allocations
- Specific Program Reporting (School Meals, Special Ed, etc.)

10

## Bulletin 1022 – Change Notice #24

- New Balance Sheet Major Class Code for recording GASB 68 Net Pension Liability:
  - **594** – Pension Liability – Long Term Portion
  - FID validation check for LEAs and ISDs (amount >0 reported in either Fund 92 of Balance Sheet file OR District Data Entry screen)
- Revised definition of Balance Sheet Major Class Code **195** – Deferred Inflows and Outflows
  - Now refers to GASB 68 and directs net pension liability amounts to 594
  - FID will accept both debit and credit amounts for this Major Class Code
- See full Change Notice for other minor changes and clarifications

11

## Section 64b Dual Enrollment Incentives

- Supplemental payments to school districts for supporting dual and concurrent enrollment options
  - \$10 per credit, up to three credits per course
  - Additional \$30 per course if successfully completed
  - Incentive payment is limited to one course per student per year
- For concurrent enrollment programs:
  - District may not charge student for any costs of program
  - Student must be awarded high school and college credit
- Both concurrent and dual enrollment programs must meet all requirements of the Postsecondary Enrollment Options Act
- Previously required submission of Excel claim form, now automated, TSDL-based process
  - More details to be made available by CEPI

12

## New Section 20m

- Former section 20j ensured Hold Harmless districts get Basic Foundation increase
- 20m has similar language, beginning 2016-17
  - For 2016-17, inflation rate used is 0.1%
- Hold Harmless districts will get \$60 increase
  - It will be made in two pieces
