## FEATURES

Efficient. Secure. Reliable.

MiSuite provides michigan public schools of all sizes with the best, most trustworthy information system solutions. To best serve our students, we believe that schools need reliable tools that helps with their everyday tasks.

## FINANCIAL ACCOUNTING

This Web Based Financial Accounting System provides school districts with an efficient way to manage all district related finances in a Fund based setting. It is F.I.D. compliant, maintains transaction history for all changes, allows districts to keep close track of cash flow, built in separation of duties for all posting needs, creates all special forms for needed tax reporting, purchase orders, billing and contains a robust approval process for purchasing.

Full transactional history is maintained for every action that takes place in this accounting system from vendor name changes to account changes to adjustments in un-approved purchase requests to all entries made in AP, AR and Journals. Nothing is left out so if an audit of all activity is needed, we have it.

## PAYROLL

This Web Based Payroll System has been solely designed based on the needs of K-12 districts. It is built on a Position Control basis for tracking positional needs. This is a time-based system which will allow entry to take place at any time for any payroll in the future. It tracks all necessary gross pay, net pay, additional pay, deductions, benefits and travel reimbursements.
