# MICHIGAN SCHOOL BUSINESS OFFICIALS & HIRING SOLUTIONS LLC 2026 SALARY SURVEY REPORT

## Director of Food and Nutrition Services – K-12

Weighted Average: \$70,726

**SUMMARY:** Responsible for district wide food operations to ensure USDA guidelines are met. Plans and implements daily menus, and purchases food, supplies, and equipment according to the Federal Nutrition Program. The incumbent is responsible for supervising staff within the department.

**EDUCATION:** This position requires knowledge equivalent to that which normally would be acquired through the completion of a four year-college degree program such as a bachelor’s of food service management, dietetics, or equivalent. MSBO certification preferred.

**EXPERIENCE:** A minimum of five (5) to seven (7) years of progressively more responsible or expansive experience in food service operations, including three (3) to five (5) years of supervisory responsibility is required. Experience in institutional food preparation, kitchen management, and materials procurement is required or an equivalent combination of education and experience.

## Director of Food and Nutrition Services – ISD

Weighted Average: \$56,400

**SUMMARY:** Responsible for district wide food operations to ensure USDA guidelines are met. Plans and implements daily menus, and purchases food, supplies, and equipment according to the Federal Nutrition Program. The incumbent is responsible for supervising staff within the department.

**EDUCATION:** This position requires knowledge equivalent to that which normally would be acquired through the completion of a four year-college degree program such as a bachelor’s of food service management, dietetics, or equivalent. MSBO certification preferred.

**EXPERIENCE:** A minimum of five (5) to seven (7) years of progressively more responsible or expansive experience in food service operations, including three (3) to five (5) years of supervisory responsibility is required. Experience in institutional food preparation, kitchen management, and materials procurement is required or an equivalent combination of education and experience.
