December 18, 2025 minutes approved- motion by Stacey Viers; seconded by Jason Auel.

Energy Audit – Steve Ezikian, School Finance Research Foundation

Two pots of \$\$ -

- a. first was to do the facility assessment piece.
- b. 70% of districts approx. participated in the energy audit process. IDs all potential opportunities including huge investments. But it also IDs low hanging fruit. 397 districts got their reports and are now working on learning opportunities – how to read, how to take advantage of easy changes, how do you finance/manage investments.

Matt Schueller, MASA – legislative update. Focused on Governor’s executive recommendation.

John Severson, MAISA - unable to join today. We will reschedule John for a future MAISA update.

Jason Helsen, MSBO Update.

Round table – nothing of note.

Meeting adjourned at 10:45 by Chris Lamer.
