MSBO Mission Statement

The Mission of MSBO is to continually improve the leadership of and management in school business and operational services, while enhancing the professional, social, and economic well-being of its members.

Candidate for MSBO Board of Directors

Tim Peraino, CFD

Director of Facilities
Kent ISD

It is truly an honor to be nominated as a candidate for the MSBO Board of Directors. Over the past 19 years, MSBO has supported my professional growth and provided me with invaluable resources to aid my role as a business official. As a Facilities Director for an ISD, I have worked closely with all support service areas, including transportation, custodial, maintenance, security, technology and food service. I look forward to the opportunity to represent these important MSBO membership groups while working closely with other board members to provide quality leadership and professional development that serves the entire membership.

HONORS

One of the greatest honors of my life is my family. My amazing wife, Erin, and my three incredible children are what I cherish the most in my life. I have been fortunate to have been honored in many ways in my professional career, but the personal connections that I have made while a member of MSBO surpass any achievements. I am extremely grateful for the collegiality and friendship that exist within this profession and especially within this organization.
