  on application irregularities from LEAs
- Reminder: Statute clearly specifies Teacher and Support Staff stipends must be paid in full to Teacher or Support Staff member within 30 days of the entity receiving those funds. Section 23c application went "live" on September 8. The clock begins for localized payments by October 8
  - Pay staff YOU identified as eligible in July submission
- (Local entity is responsible for all mandatory payments. ORS has notified MDE that these stipends are not retirement reportable on DTL 2 but ARE REPORTABLE on DTL 4). Please contact ORS with questions or concerns.

"Dude...I can't find my car, errr application..."

Applications have been in MEGS+ since September 8. PLEASE check your Tasks/Applications FIRST. Don't search for Apps!

81 districts submitted irregularities. 13 didn't submit at all in July. MDE is notifying those entities

Does the Section 23b money have to be spent in summer 2021?

No. Section 23b utilizes Federal funds, aligned with ESSER II grant expenditure period

Expenditure Period: June 2, 2021, through Sept. 30, 2022, plus Tydings through Sept. 30, 2023

Why is MDE asking for pictures of staff for Section 23c?

Please do not upload pictures in your M+ application of staff or any staff names

PIC refers to Personal Identification Code (PIC) or use of Unique ID (numerical)

When do I have to pay Section 23c Stipends?

Stipend payments to staff must be made by October 8

There can be no proration to stipend amount. Staff gets full payment of stipend

Who do I have to pay the Section 23c stipend to?

LEAs were asked to identify eligible staff members in your July submission

Although staff may be eligible via statute, you are only required to pay those staff members YOU identified as eligible in July

How do I budget Salaries with no Benefits for Section 23c stipends?

Since stipend must be paid in full, enter amount in Salaries and enter "o" in associated Benefits column

An error message will occur if there is Salary, but Benefits is blank. Enter "o"

No. ESSER funds are not Title funds. There is no Highly Qualified in ESSER

Only budget to expenses in M+. Funds are reimbursable in nature

Please note the funds can be used across school years, not only in Summer 2021 ESSER-II and PA 48 of 2021

### Public Act 48 of 2021: State Aid Bill

- Section 11t (Equalization payments): This funding has been appropriated by the legislature, but Michigan has not yet received approval of our application to USED for the remaining 1/3 of funds for ARP ESSER III
- MDE would not recommend LEAs start incurring costs associated with Section 11t (Equalization payments) until full approval is gained by MDE from USED and further guidance is provided. Memo is forthcoming.
