\*The rates in these columns reflect the maximum employer match. See the Member Benefit Plan link on the Employer Reporting website for more information.

\*\* PA 219 of 2015 requires employers to pay 20.96% UAAL for any employee hired directly or indirectly by a reporting unit and working in a critical shortage position, and for those retired between 07/01/2010 through 09/01/2015 and hired directly or indirectly by a reporting unit as a substitute teacher, school improvement facilitator or instructional coach. See the Employer Reporting website for more information.

## Employer Defined Benefit (DB) Contribution Rates with MPSERS UAAL Rate Stabilization Amount

The table below is provided for budgeting purposes only, not for calculating payroll reporting rates. The MPSERS UAAL Stabilization Rate is the estimated statewide impact on 2016-2017 MPSERS UAAL Rate Stabilization funding. Because legislation calls for using each entity's prior-year salary as a base for distribution, the amount paid to each employer will vary from the amount the employer sets up as liability using that rate and current year payroll. The Total Rate is the estimated annual level percentage of the MPSERS payroll contribution rate.

		Active Members			Retirees
