Overview

The School Aid budget makes appropriations to the state's 539 local school districts, 297 public school academies (PSAs), and 56 intermediate school districts (ISDs) for operations and certain categorical programs. It also appropriates funds to the Michigan Department of Education (MDE), Center for Educational Performance and Information (CEPI), the Workforce Development Agency, and other entities to implement certain grants and other programs related to K-12 education.

Major Budget Changes From FY 2018-19 YTD Appropriations

1. Foundation Allowance (Sec. 22a and 22b)

Executive includes \$235.0 million to provide increases ranging from \$120 to \$180 per pupil using a 1.5x formula. The minimum foundation allowance would increase from \$7,871 to \$8,051 (2.3%) and the state maximum guaranteed foundation allowance would increase from \$8,409 to \$8,529 (1.4%).

House includes \$226.4 million to provide increases ranging from \$90 to \$180 per pupil using the 2x formula. The minimum foundation would increase from \$7,871 to \$8,051 (2.3%) and the state maximum guaranteed foundation allowance would increase from \$8,409 to \$8,499 (1.1%).

Senate includes \$342.0 million to provide increases ranging from \$135 to \$270 per pupil using the 2x formula. The minimum foundation would increase from \$7,871 to \$8,141 (3.4%) and the state maximum guaranteed foundation allowance would increase from \$8,409 to \$8,544 (1.6%).

Conference includes \$304.0 million to provide increases ranging from \$120 to \$240 per pupil using the 2x formula. The minimum foundation would increase from \$7,871 to \$8,111 (3.0%) and the state maximum guaranteed foundation allowance would increase from \$8,409 to \$8,529 (1.4%).

2. Cyber Schools Foundation Allowance Reduction (Sec. 22a and 22b)

Executive reduces cyber school foundation allowances to 80.0% of the minimum foundation allowance for an estimated savings of \$22.0 million. For FY 2019-20, the cyber foundation allowance would be \$6,441.

House, Senate, and Conference maintain current law.

5. Special Education Capital Funding (Sec. 51a(18)) – NEW		Gross	\$0	\$0
<u>Executive</u> and <u>House</u> do not include this section.		Restricted	0	0
<u>Senate</u> includes \$30.0 million SAF for one-time payments to districts and ISDs for capital improvements in support of programming and instruction for special education pupils. Payments are in the same proportion as reported special education costs.		GF/GP	\$0	\$0
<u>Conference</u> does not include this section.				
6. Weighted Allocations: Economically Disadvantaged (Sec. 28(4)) – NEW		Gross	\$0	\$0
<u>Executive</u> transfers in current at-risk (Sec. 31a) funding of \$517.0 million SAF and adds \$102.0 million SAF for a net appropriation of \$619.0 million SAF for economically disadvantaged students. Revises payment formula from 11.5% of the statewide average foundation allowance per economically disadvantaged pupil to 11.0% of a district's foundation allowance, capped at the minimum foundation allowance. In FY 2018-19, the at-risk (Sec. 31a) prorated payment is estimated to equal \$719 per economically disadvantaged pupil; under this section in FY 2019-20, payments are expected to be fully funded at \$886 per economically disadvantaged pupil, although payments may be prorated if funds are insufficient. Revises allocation to a hold harmless or out-of-formula district from 30% to 50% of the amount for which it would otherwise be eligible. (See Major Boilerplate Changes for Sec. 28(4) below.)		Restricted	0	0
<u>House</u> , <u>Senate</u> , and <u>Conference</u> do not include this section.		GF/GP	\$0	\$0
7. At-Risk Pupil Support (Sec. 31a)		Gross	\$517,000,000	\$5,000,000
<u>Executive</u> transfers \$517.0 million SAF into Sec. 28(4). Eliminates \$18.0 million SAF allocation to districts that would have otherwise received an allocation that is less than the previous year. (See Major Boilerplate Changes for Sec. 31a below.)		Restricted	517,000,000	5,000,000
<u>House</u> maintains current year appropriation, including the \$18.0 million SAF allocation. (See Major Boilerplate Changes below for Sec. 31a below.)		GF/GP	\$0	\$0
<u>Senate</u> increases by \$3.0 million SAF to a total of \$520.0 million. Reduces the Sec.31a(17) hold harmless provision from \$18.0 million SAF to \$12.0 million due to declining enrollment. (See Major Boilerplate Changes below for Sec. 31a below.)				
<u>Conference</u> increases by \$5.0 million SAF to a total of \$522.0 million. Concurs with Senate to reduce the Sec.31a(17) hold harmless provision from \$18.0 million SAF to \$12.0 million due to declining enrollment. (See Major Boilerplate Changes below for Sec. 31a below.)

9. Weighted Allocations: Career and Technical Education (CTE) (Sec. 28(5)) – NEW			
<u>Executive</u> includes \$55.0 million SAF to districts for students in grades 9-12 enrolled in state-approved Career and Technical Education (CTE) programs within students' self-identified career pathways. A district's per-pupil allocation is 6.0% of the district's foundation allowance, capped at the minimum foundation allowance. The existing \$5.0 million CTE Incentive Payment (Sec. 61d) categorical is eliminated and rolled into this subsection. Payments may be prorated if funds are insufficient. Excludes cyber schools and pupils enrolled in shared time from receiving funds. (See Major Boilerplate Changes for Sec. 28(5) below.) <u>House</u> , <u>Senate</u> , and <u>Conference</u> do not include this section.	Gross	\$0	\$0
	Restricted	0	0
	GF/GP	\$0	\$0
10. CTE Incentive Payments (Sec. 61d)			
<u>Executive</u> eliminates funding for CTE incentive payments that provide \$25 per pupil for pupils in grades 9 to 12 enrolled in CTE programs and an additional \$25 per pupil for those in CTE programs identified as "critical skills" programs and transfers funding to Sec. 28(5). <u>House</u> increases by \$5.0 million SAF and \$5.0 million Talent Investment Fund (TIF) to a total of \$15.0 million and revises payments from \$25 per pupil and an additional \$25 to \$75 per pupil and an additional \$75. <u>Senate</u> maintains current year appropriation and per pupil payments. <u>Conference</u> increases by \$5.0 million TIF in one-time funds to a total of \$10.0 million Gross (\$5.0 million SAF and \$5.0 million TIF) and revises payments from \$25 per pupil and an additional \$25 to \$50 per pupil and an additional \$50. 12. Great Start Readiness Program (GSRP) (Sec. 32d)		Gross \$244,900,000	\$5,050,000
<u>Executive</u> increases by \$84.0 million SAF to a total of \$328.9 million Gross (\$300,000 GF/GP) for school readiness preschool programs for four-year-old children in low-income families. Increases the family income eligibility threshold from 250% to 300% of the federal poverty level (FPL) and increases allocation per child from \$7,250 to \$8,500 for a full-day program and from \$3,625 to \$4,250 for a part-day program. Eliminates \$2.0 million SAF to ISDs for professional development and training materials for educators in programs implementing new curricula. <u>House</u> concurs with Executive to eliminate \$2.0 million SAF to ISDs for professional development and training materials, but maintains the current family income eligibility thresholds and per child allocations. <u>Senate</u> increases by \$5.0 million SAF to a total of \$249.9 million Gross (\$300,000 GF/GP). Maintains the \$2.0 million SAF allocation to ISDs and maintains the current thresholds and per child allocations. <u>Conference</u> concurs with Senate but adds \$50,000 GF/GP for the provider of the longitudinal study of the GSRP program to conduct a comparative analysis of the relationship between GSRP programs and performance on the kindergarten readiness assessment funded under Sec 104 (see item number 69).	Restricted GF/GP	244,600,000 \$300,000	5,000,000 \$50,000
13. Early Literacy Teacher Coaches (Sec. 35a(4))		Gross \$7,000,000	\$14,000,000
<u>Executive</u> increases by \$24.5 million SAF for a total of \$31.5 million to increase the number of literacy coaches from 93 to 279. Removes requirement that ISDs provide 50% matching funds and increases state funding per coach from \$75,000 to \$112,500. <u>House</u> increases by \$2.1 million SAF to a total of \$9.1 million to increase the number of literacy coaches from 93 to 121 and maintains current law for ISD match at 50% and state funding per coach capped at \$75,000. Additionally, requires that if an ISD receiving funding for early literacy teacher coaches uses an assessment tool that screens for signs of dyslexia, the ISD must use the results from that assessment tool to identify pupils who demonstrate signs of dyslexia. <u>Senate</u> increases by \$14.0 million SAF to a total of \$21.0 million to increase the number of literacy coaches from 93 to 186 and maintains current law for ISD match and state funding per coach. Requires a district or ISD expending funds through Sec. 35a(4) on professional development (PD) to select a PD program from a list provided by MDE based on the results from a request for proposal (RFP) process. The initial list must be published by December 1, 2019. <u>Conference</u> concurs with Senate and includes House requirement for dyslexia screening tool.	Restricted GF/GP	7,000,000 \$0	14,000,000 \$0
14. Summer School Literacy Intervention Grants (Sec. 35a(11)) – NEW		Gross \$0	\$15,000,000
<u>Conference</u> provides \$15.0 million SAF for a one-time summer school reading grant program. Each eligible district is provided a grant based on the number of third grade pupils determined not proficient in the English language arts (ELA) portion of the 2019 M-STEP. Districts must spend the funds over three fiscal years for summer reading programs that prioritize 3 rd grade pupils not proficient in the ELA portion the M-STEP, and may extend the program to any student in grades K-2 who are not reading at grade level.	Restricted GF/GP	0 \$0	15,000,000 \$0

Major Boilerplate Changes From FY 2018-19

Sec. 6. Pupil Membership Definitions – REVISED

Executive and House strike provision allowing a pupil in a dropout recovery program to be counted as more than 1.0 FTE position and paid under Sec. 25g (Sec. 25g is repealed). Senate and Conference maintain current law.

Executive and House maintain prohibition on counting a pupil in membership if that pupil is charged tuition and lived out-of-state in the prior year. Senate deletes. Conference concurs with Senate.

Sec. 8b(3). District Codes for Cyber Schools – REVISED

Executive, House, and Senate maintain current law, which assigns a new cyber school to the ISD in which the school's administrative office is located. Conference revises as follows: If the cyber school is authorized by an ISD, it is assigned to that ISD; if the cyber school is authorized by a district, it is assigned to that district's ISD; if the cyber school is authorized by a community college or university, it is assigned to the ISD in which the school's administrative office is located.

Sec. 11a. School Aid Stabilization Fund – RETAINED

Executive and House maintain current law. Senate revises to require one-half of lapses of School Aid Fund to remain in the School Aid Stabilization Fund and not be spent in the next fiscal year. Conference concurs with Executive and House.

Sec. 15. State Aid Allocation Adjustments – REVISED

Executive and House revise the period of time MDE may spread deductions resulting from an audit from 9 to 4 years. Senate concurs to spread deductions across 4 years, but allows districts currently undergoing an extended adjustment to use the original adjustment period. Conference concurs with Senate.

Executive, House, Senate, and Conference add requirement that if MDE bases an adjustment under this section on a finding that a district or ISD employed an educator in violation of certification requirements, MDE shall prorate the adjustment according to the period of noncompliance.

Executive and House revise the period of time MDE may conduct audits of funding received under the Act from the preceding fiscal year to the preceding 3 fiscal years. Senate maintains current law. Conference concurs with Senate.

Major Boilerplate Changes From FY 2018-19

Sec. 17c. Grant Process Timeline – RETAINED

Executive repeals this section, which requires that MDE do the following for grants distributed by the department, unless otherwise specified: open grant application and provide lists of grants and schedules to districts, ISDs, and on MDE website by September 1; and publish grant awards by December 1. The section also requires information on non-federal grants to be placed on the August State Board agenda. House, Senate, and Conference maintain current law.

Sec. 18. Spending, Financial Reporting, and Audit Requirements – DELETED

Executive deletes requirement that MDE submit an itemized list of School Aid allocations to any association or consortium of associations in the preceding year. House maintains current law. Senate concurs with Executive. Conference concurs with Executive and Senate.

Sec. 22b. Foundation Discretionary Payment – REVISED

Executive and House maintain current law. Senate revises the list of requirements that a district must meet to receive its full foundation allowance to require that a district that offers kindergarten comply with Sec. 104(4) (the Kindergarten Assessment). Removes the requirement that a district comply with Sec. 22p (requirements for districts with a partnership agreement). Conference concurs with Senate to add the kindergarten requirement but maintains the Sec. 22p requirement.

Sec. 22p. Partnership District Discretionary Payment – REVISED

Executive repeals this section, which requires that for a district with a signed partnership agreement to receive funding under Sec. 22b it meet the following: include measurable academic outcomes to be achieved after 18 and 36 months; and include accountability measures, including school closure or reconstitution, to be imposed if district fails to meet outcomes. House maintains current law. Senate strikes the requirement that reconstitution include replacement of at least 25% of faculty and staff. Conference concurs with Senate, and adds the following: requires measurable outcomes to be based on district needs as identified under Sec. 21h; clarifies that accountability measures *must* include school closure or reconstitution; and requires the comprehensive review of data as part of reconstitution be in compliance with Sec. 21h.

Sec. 25e. Pupil Count Transfer Process – REVISED

Executive strikes legislative intent that CEPI determine the number of pupils who, between the October 2018 count day and the February 2019 supplemental count day, moved into the state and enrolled in a district or ISD, or moved out of the state after being counted in membership. House, Senate, and Conference concur with Executive.

Sec. 28. Weighted Allocations – Total – NEW

Conference includes new section that details School Aid Act sections that provide a weighted foundation allocation or an additional payment of some type to recognize differentiated instructional costs in 2019-20. The following sections are included: Sec. 22d, Sec. 31a, Sec. 41, Sec. 51c, Sec 51f, Sec. 61a, and Sec. 61d.

Sec. 28(4). Weighted Allocations – Economically Disadvantaged – NOT INCLUDED

Executive requires districts to comply with Sec. 31a to receive funding. Adds that districts must use funds to show progress toward the following goals: provide at least 1 tutor per 100 economically disadvantaged pupils; provide at least 1 pupil support position (including behavior specialists, reading support experts, and counselors) per 125 economically disadvantaged pupils; provide at least 1 summer school teaching position per 120 economically disadvantaged pupils; expand professional development opportunities for teachers; and provide additional supports for students on the completion of the Free Application for Federal Student Financial Aid (FAFSA). House, Senate, and Conference do not include this section.

Sec. 28(5). Weighted Allocations – Career and Technical Education (CTE) – NOT INCLUDED

Executive states intent that payments under this section are to support hiring of additional CTE staff and career counselors; to update and maintain facilities, equipment, and materials related to CTE programming; and to expand the number of CTE programs available to students. House, Senate, and Conference do not include this section.

Major Boilerplate Changes From FY 2018-19

Sec. 31a. At-Risk Pupil Support – REVISED

Conference adds that a district or PSA in its second year of the Community Eligibility Program (CEP) may use, for one year only, the identified student percentage reported for CEP status to determine the number of economically disadvantaged pupils.

Executive and House require school security funded under this section to align with the district's needs assessment and multi-tiered system of supports (MTSS) model. Senate concurs, and adds language concurring with Executive language in proposed Sec. 28(4) that requires districts to use funds to show progress toward a number of goals. Conference concurs with Executive and House.

Executive, House, Senate, and Conference require schoolwide reforms funded under this section to consist of Tier I, evidence-based practices, defined as research-based instruction and classroom interventions that are available to all learners and effectively meet the needs of most students.

Executive revises from allowing 5% of funds to allowing 10% of funds to go toward implementing a coaching model that supports MTSS or to provide professional development related to implementing MTSS or implementing MCL 380.1280f (3rd grade reading legislation). House maintains current law. Senate concurs with Executive. Conference revises to 7.5% of funds.

Executive maintains requirement that districts expend a proportion of funds on tutoring or other methods of improving proficiency if at least 50% of at-risk pupils in the applicable grade are not proficient in or do not achieve at least one year's growth in English language arts by the end of 3rd grade or math by the end of 8th grade, or are not career- and college-ready by the end of 11th grade, except revises from "at-risk pupils" to "economically disadvantaged pupils" in the applicable grades and strikes language on achieving at least one year's growth. Also replaces "tutoring" with "interventions." House deletes the entire requirement. Senate maintains "at-risk" and "tutoring," but concurs with Executive to strike language on achieving at least one year's growth. Conference concurs with Senate, and adds a requirement that MDE shall calculate the percentage of at-risk pupils in each applicable grade and notify districts that must expend a proportion of funds toward improving proficiency.

Sec. 32p. Early Childhood Block Grants – REVISED

Executive removes requirement that ISDs report on the change in the number of pupils retained at grade level and the change in the number of pupils receiving special education services. Adds requirement that ISDs show that positive parenting practices were improved, that there was improved family economic self-sufficiency, and that community resources were utilized. House maintains current law. Senate concurs with Executive. Conference concurs with House to maintain current requirements and concurs with Executive and Senate to add additional requirements.

Sec. 35a. Early Literacy – RETAINED

Executive adds the following requirements for the ISD receiving a \$1.0 million SAF grant for Literacy Essentials: the ISD must implement adult literacy essentials training, including outlining practices to increase Michigan's capacity and creating professional development to implement these practices and in collaboration with the Department of Talent and Economic Development (TED), the ISD must implement improved processes to connect state residents to adult literacy opportunities, including a toll-free number and easy-to-navigate website. House maintains current law. Senate concurs with Executive. Conference concurs with House.

Sec. 99s. MiSTEM Council – REVISED

Executive re-brands the MiSTEM Network to MiSTEAM to account for an additional focus on arts. Revises the number of voting members on the MiSTEAM Advisory Council by reducing from 11 to 9 the number of members who represent business sectors, adding 2 members from the Michigan Council for Arts and Cultural Affairs, and adding 1 ex-officio member. Adds arts to the list of areas in which the MiSTEAM Advisory Council shall approve at least 1 program. House maintains current law. Senate maintains current law, except concurs with Executive to add 1 ex-officio member. Conference concurs with Senate.

Major Boilerplate Changes From FY 2018-19

Sec. 101. Eligibility to Receive State Aid – REVISED

Conference revises to require that in addition to a district superintendent submitting to CEPI and the ISD superintendent the number of pupils enrolled and in regular daily attendance for the current school year by the fifth Wednesday after a count day they also include the number of students who pay tuition.

Executive revises to allow a district to count up to 38 hours of professional development for teachers as hours of instruction, which was prohibited after FY 2014-15 unless a collective bargaining agreement specified otherwise. Adds that qualifying professional development may be counted as a day of pupil instruction if it exceeds 5 hours in a single day. Adds that 8 hours of qualifying professional development counted as hours of pupil instruction under this section must be recommended by a district-wide professional development advisory committee, which must be appointed by the district's school board and include teaching and non-teaching staff, parents, and administrators. House concurs with Executive, except revises from counting over 5 hours of professional development in a single day as a day of pupil instruction to 6 hours. Senate concurs with Executive. Conference concurs with Executive and Senate.

Executive revises definition of "qualifying professional development" to professional development that meets all of the following: (a) is aligned to school or district improvement plan; (b) is linked to criteria in the evaluation tool developed or adopted by the district; (c) has been approved by MDE as counting for continuing education clock hours; (d) will occur after the first scheduled day of school and before the last scheduled day of school, with no more than 10 hours in a single month; and (e) has at least 75% of teachers scheduled to participate in the professional development in attendance. House concurs with Executive, but revises from requiring qualifying professional development to occur after the first day and before the last day to requiring not more than 4 hours of professional development to take place before the first day and not more than 4 hours to take place after the last day. Senate concurs with Executive. Conference concurs with Executive, but revises to allow a combined total of 10 hours before the first day and after the last day.

Sec. 104b. Michigan Merit Examination (MME) – RETAINED

Executive and House strike the requirement that MDE include scores for the statewide assessment and graduation rates for consortium pupils with the scores for the school building in the participating district in which the consortium pupil is enrolled or would otherwise attend. A consortium pupil is defined as a pupil who enrolled or participated in a district or program operated as a consortium or under a cooperative arrangement formed by two or more districts or ISDs, including but not limited to a consortium or cooperative arrangement operated as a program, a shared educational entity, a specialized education entity, or a special education center program. Senate maintains current law. Conference concurs with Senate.

Sec. 104c. State Student Assessments – RETAINED

Executive and House strike the requirement that MDE offer benchmark assessments in the fall and spring to measure ELA and math in grades kindergarten through 2nd grade. Senate maintains current law. Conference concurs with Senate.

Sec. 160. Labor Day Waiver Hearing – REVISED

Executive maintains requirement that a district or ISD applying for a pre-Labor Day start waiver must have a public hearing before the waiver is granted, but strikes requirement that MDE participate in the public hearing. House repeals this section. Senate maintains current law. Conference concurs with Executive.

Sec. 166. Disciplinary Policy for Abortion Referral – REVISED

Executive maintains current law that requires a district or ISD to adopt a disciplinary policy, including financial penalties, for violations of MCL 380.1507 or for making abortion referrals. Districts and ISDs must adopt a policy by October 1, 2019, or forfeit \$100,000 of state aid. House and Senate repeal this section. Conference removes all financial penalties and removes violations of MC 380.1507 as requirements for the disciplinary policy. Adds that a parent or legal guardian of the pupil is exempt.

Sec. 166a. Requirements Related to Sex Education – REVISED

Conference adds compliance with Sec. 166 to the requirements a district or ISD providing reproductive health or other sex education instruction must meet in order to avoid forfeiture of an amount equal to 1% of the district's or ISD's state school aid allocation.

Sec. 166b. Nonpublic Pupils – REVISED

Conference adds that an eligible course may include an online course published in the district's course catalog under Sec. 21f. Revises the course eligibility requirement *from* requiring courses taken by shared-time pupils to also be available to full-time pupils *to* requiring courses taken by shared-time pupils to also be offered to full-time pupils. Also revises to clarify that a course is considered to have been offered if both of the following are met: 1) the course is posted in a course list online or in a written publication; and 2) written notification is provided that a pupil who requests to participate in a course will be given the opportunity to participate, subject to applicable eligibility requirements.
