Opening General Session
The Opening General Session featured Michigan State University (MSU) Professor of Education Policy David Arsen. Dr. Arsen talked about a MSU study that focuses on Michigan K-12 funding: Michigan School Finance at the Crossroads, which focuses on a plan to transform K-12 funding in Michigan schools.

Keynote: Motivational humorist Kay Frances shared her message to “lighten up, stress less, and take care of ourselves.”

When it comes to humor, Kay is the “real deal” having performed as a professional standup comedian for many years and appearing on a number of national television and radio programs. Additionally, Kay is the author of “The Funny Thing about Stress; A Seriously Humorous Guide to a Happier Life.”

Governor’s Address
Governor Gretchen Whitmer addressed the MSBO membership during the lunch program on Wednesday and talked about her commitment to solving the problems Michigan citizens face every day. That means ensuring a great public education and a path to a good-paying job.

## Alliance Building/Advocacy

One of MSBO’s roles is to advocate for membership and serve in an expert capacity, whether it be providing testimony at a state Senate or House legislative committee, or working with a state stakeholders group that is addressing education and school administration policy.

MSBO’s long standing policy in legislative issues remains to be the role of providing facts, data, and testimony when requested by other groups or the legislature. MSBO staff represents members and the school community at a number of state agencies, department stakeholders groups, and other organizations, always providing expert input on numerous issues to address the needs of MSBO members.

The annual MSBO audit, conducted by Plante Moran, received a clean audit opinion. The Financial Review Committee voted to accept the report and recommended the full Board accept it. The MSBO Board accepted the audit report.
ASBO — The Association of School Business Officials International

ASBO is MSBO’s national/international organization. It provides programs and services to promote the highest standards of school business management practices, professional growth, and the effective use of educational resources. Founded in 1910, ASBO International has over 9,000 school business management professionals as members.

Certification Program

The MSBO Certification Program is a voluntary program designed by our own Professional Development Committee in conjunction with others in the educational community. It is endorsed by both Michigan Association of School Boards (MASB) as well as Michigan Association of Superintendents and Administrators (MASA). MSBO offers 14 separate tracks and provides essential information to school business professionals at the beginning of their careers and assures continuing professional development throughout.

Dude Solutions

Dude Solutions is the nation’s number one provider of on-demand operations management solutions designed exclusively for the unique needs of schools, colleges, and universities. Their integrated suite of solutions for technology, business, and facility operations is revolutionizing the way educational professionals manage their organizations. Dude Solution’s tools are easy to use and affordable; helping schools save money, increase efficiency, and improve services. MSBO’s relationship provides significant discounts for Michigan school districts.

Dynamic Budget Projections Software

This easy to use, simple to understand software is offered to school districts to use for financial forecasting. It provides multi-year budget projections in an Excel template. More than 500 districts and ISDs have purchased this software. It makes communicating financial information easier for school districts.

Michigan Liquid Asset Fund Plus (MILAF+)

In 1987, MSBO, MASA, and MASB collaborated to form the Michigan Liquid Asset Fund Plus program. Districts that utilize the many banking-related services such as check writing, investment of bond proceeds, online Internet services, and fixed term investing also take advantage of the Fund’s AAAlm rating, security, and liquidity. Currently 425 school districts and other public entities participate in this program.
Business Solutions & Partnerships

Michigan Purchasing Card Consortium

The Consortium, similar to a credit card program, but better — allows school districts greater control of their expenses, saves time and money, and allows all districts to participate with the same, low fee structure. The 11th year was another great success for the program with districts earning approximately $968,000 in rebates for the calendar year 2018.

Michigan Schools Energy Cooperative (MISEC)

Michigan Schools Energy Cooperative (MISEC) was established in 1997 by MSBO, MASA, Michigan Association of Intermediate School Administrators (MAISA), Middle Cities Education Association (MCEA), and MASB as a joint venture to allow schools to take full advantage of cost-saving opportunities provided by energy deregulation.

MSBO Bus Program

The bus purchase program saves districts time and money by providing a competitively bid quality base bus with over 300 options to choose from. All the bidding has been done for MSBO members. The program is provided through an online platform making access and use very convenient.

MSBO/SET SEG Guide to Compliance Training

This guide is designed to help schools identify education and training that is required for Michigan schools. In an effort to make this guide as user friendly as possible, training is broken out by subject and by employee group. Every required training listed in the Guide also includes the governing reference, the training schedule, and the instructional courses available to help schools meet compliance obligations.

PaySchools

PaySchools is an online payment processing system that provides schools with an easy and efficient method to collect fees and receive electronic payments for school lunches, field trips, prom tickets, and any other school-related fees. PaySchools makes it possible for all schools to offer parents the convenience of online purchasing without incurring large administration or setup costs.
Business Solutions & Partnerships

PublicSurplus.com

Michigan school districts have used PublicSurplus.com successfully for over a decade selling surplus and used items. It allows members to reach a national, even international audiences for buses, equipment, and anything else school districts may wish to sell.

SafeSchools

SafeSchools is a partner with MSBO, MASA and MASB and is an online safety training and tracking system designed specifically for school employees. Save training dollars and increase the opportunities for your staff to receive quality, timely training through SafeSchools.com. With more than 180 online programs, SafeSchools offers a tremendous value to districts.

School Nutrition Association of Michigan (SNAM)

MSBO and SNAM continue a successful management partnership that started in 2013. MSBO provides administrative services, leadership assistance, and office space to SNAM. MSBO and SNAM have been closely affiliated for many years serving similar memberships. This partnership continues to benefit both MSBO and SNAM members.

U.S. Communities

U.S. Communities provides a national purchasing co-operative for local and state government agencies, school districts (K-12), higher education, and non-profits nationwide by pooling the purchasing power of over 87,000 public agencies.
MSBO Mission:
The Mission of MSBO is to continually improve the leadership of and management in school business and operational services, while enhancing the professional, social, and economic well-being of its members.

MSBO Core Values:

• The Value of Education. We believe in the value of education. We will do all we can to support and enhance the delivery of education to Michigan’s children.

• Dedication to Leadership and Learning. We believe each of us should be a leader and that effective leadership and management require a defined set of knowledge and skills as well as common sense. We will attend workshops and conferences and engage in other professional development activities that help us maintain and advance our knowledge. We will assist others in learning and ask questions of our colleagues when we need advice or information. We will approach all situations expecting to learn something.

• The Power of Synergy. We believe in approaching problems expecting to make a personal contribution to the solution and with the recognition that the best solutions are normally the result of working with others.

• Commitment to Ethics. We believe in operating our personal and professional lives in an ethical way that will reflect favorably on our schools and our profession. We believe we have a responsibility to act as stewards of our schools and to contribute to our communities and colleagues.

Based on these values, we believe in doing things right and in doing the right things.
