Branch ISD Special Education:
The Branch ISD Special Education Department serves students pre-K to age 26 with mild to severe impairments and works closely with the local schools in Branch County to provide instructional services, hearing and vision services, physical and occupational therapy, speech, psychological, and nursing services. The special education department is devoted to the success of every student. This is an exciting opportunity to become a team member who is committed to the vision of educating all learners while fostering positive attitudes and work habits. This position is for someone that respects diversity. If you are highly motivated and have a passion to work with students with disabilities, this position is for you.

Branch ISD uses the applicant tracking system from Frontline Education to manage employment applications online. Visit www.branch-isd.org for details.
