        Next Task Force meeting, April.11
        •   2025-04-11-CSTF-Agenda

13:46:28 From Nick Morse to Everyone:
        The focus this year is around:
        1.Getting Incident Response Planning (IRP) tools and resources to a stable
version
                A. Walk (1 page)
                B. Crawl (Multi-page worksheet)
                C. Run (Procedures and Processes)
        ▪   These are all posted on MiSecure.org and free to use for any
districts that do not have IRPs
        ▪   We finalized the additional example set of other IRPs as resources
on the misecure.org site.
