Pre-Recorded Sessions

Indirect Cost Calculation and Application

— *Jessica Beagle and Philip Boone, MDE*

The indirect cost rate process has changed due to the influx of federal funding. Here is what you need to know.

Fiscal Health in Districts — *Nancy Hoover and Samuel Irrer, Michigan Department of Treasury*

Get an overview of the fiscal health in Michigan school districts.

CEPI Update — *Joel Thiele, CEPI*

Learn what the Center for Educational Performance and Information (CEPI) is working on and what is on the horizon.

Budget Transparency Update — *Chad Urchike, MDE*

Part of your role as a business official is to provide transparency through posting information on your district website. Budgets, audits, contracts, and spending are required topics. Learn the timelines and rules for transparency reporting to keep your district in compliance.

Section 31a Allocation Updates — *Dawn Carmody, Suzanne Grambush, and Stephanie Holmes-Webster, MDE*

Get an overview of the Section 31a opportunity index score and band adjustment factor and what this means for your district's allocation.

Legal and Bargaining Considerations for Teacher Credentials — *Timothy T. Gardner, Jr., Thrun Law Firm, P.C.*

Teacher assignments are still a prohibited subject of bargaining. Understand legal issues pertaining to teacher assignments and how to negotiate these when new legislation goes into effect. Learn how to handle demands to bargain and how nontraditional pathway teachers are addressed through recognition clauses in collective bargaining agreements.
