- (a) Certification that teacher leaders will be selected from teachers who work within title I schools.
- (b) Certification that the district will pay each teacher leader an additional stipend of at least \$15,000.00 per year for 2 years using the funds under this section.
- (c) A description of the teacher leader role the district will use.
- (d) The criteria that will be used to select teacher leaders.
- (e) An agreement that the district will share data related to the program, as requested by the selected district or intermediate district under subsection (7).
- (3) The grant amount must be \$60,000.00 per teacher leader position identified in the application. Teacher leader roles must be paid an additional stipend of at least \$15,000.00 per year and the positions must be funded for 2 years. The amount of the grant remaining after payment of the stipend must be made available to the district to be used for other costs associated with administering the program, including, but not limited to, supplementing staff, operational support, professional development, and other teacher leader related activities. - (4) The responsibilities of teacher leaders must include at least the following:
- (a) The teacher must serve as the lead teacher in a classroom for not less than 50% of the typical school day.
- (b) The teacher's classroom must serve as a model classroom for observation.
- (c) The teacher must lead professional development or serve as a mentor or coach for novice teachers.
- (d) The teacher must have some school- or district-level responsibilities, as determined by the district.
- (5) Districts shall use the following criteria to select candidates for the teacher leadership program:
- (a) A track record of strong student academic outcomes, as determined by the district.
- (b) Ability to foster noncognitive

#### Sec. 32d - Great Start Readiness Program (GSRP)

Appropriates \$524,720,000 from the School Aid Fund to operate the district Great Start Readiness Program (GSRP) and \$600,000 GF/GP to continue a longitudinal study of the GSRP.

An ISD or grant recipient that determines that all children at or below 300% of the Federal poverty level (FPL) are being served and none are on the waiting list may then enroll children in families at or below 400% of the FPL. The enrollment process shall consider income and risk factors, such that higher-need children are enrolled prior to those with lesser need.

For enrollment across ISD boundaries, the ISDs must enter into a written agreement for payment, in a manner prescribed by the Department.

All age-eligible children served in foster care or who are experiencing homelessness or who have individualized education plans recommending placement in inclusive preschool are considered to be at 300% FPL regardless of family income.

An ISD or consortium may retain 4% for administration and expenses incurred by subrecipients are considered program costs or a contracted program fee for service.

- (4) Program requirements.
- (5) Application requirements.
- (8) Recipient shall designate an early childhood coordinator.
- (11) Enrollment prioritization by household income level.
- (13) An intermediate district or consortium of intermediate districts receiving a grant under this section shall conduct a local process to contract with interested and eligible public and private for-profit and nonprofit community-based providers that meet all requirements of subsection (4) for at least 30% of its total allocation.
- (16) Report to CEPI on enrollment data.
- (17) Definitions
- (18) An intermediate district or consortium of intermediate districts receiving funds under this section shall establish and charge tuition according to a sliding scale of tuition rates based upon household income for children participating in an eligible great start readiness program who live with families with a household income that is more than 250% of the federal poverty guidelines to be used by all of its providers, as approved by the department.
- (19) \$28,000,000 of the total is earmarked for reimbursement for transportation costs, up to \$500 per slot.

These models must be compliant with federal requirements related to English learner program services. It is the intent of the legislature that, beginning in 2025-2026, to be considered an eligible recipient of funding under this section, a district must agree to meet or exceed the minimum number of minutes per week, as determined by the department, that the district provides direct English language development instruction.

(7) By not later than March 1, 2025, (7) By March 1, 2025, the department must establish English learner program models that establish a minimum number of minutes per week in which districts must provide direct English language development instruction for students according to the student's proficiency levels. These models must be compliant with federal requirements related to English learner program services. In order to be considered an eligible recipient of funding under this section, a district must agree to meet or exceed the minimum number of minutes per week, as determined by the department, for which the entity provides direct English language development instruction.

#### Sec. 56 - ISD Special Education Millage Equalization

Appropriates \$40,008,100 for FY 2023-24 to ensure that the millage levied by ISDs for special education brings in a minimum amount per mill. Freezes Wayne RESA at no more than 62.9% of the total appropriation and adjusts taxable value equalization amounts accordingly. Additional language ensures no ISD loses more than 25% funding compared to the prior year.

(18) Requires participants be concurrently enrolled and actively working toward obtaining a high school diploma or a high school equivalency certificate. However, concurrent enrollment is not required for a participant that was enrolled in adult education during the same program year and obtained a diploma or certificate prior to enrollment in an eligible program under subsection (15). Allows for up to 15% of adult education participants served under subsection (15) to already have a diploma or certificate at time of enrollment and receive remediation services. Provides for an intent that the cap be lowered on an annual basis until reaching 0%.

ISDs are not allowed to spend more than 5% on administration and the Department is required to ensure that the same number of participants are served under the new provider system as under the previous year.

Adult Education program providers are required to pay to CTE programs any billing that occurs for basic education programming provided by the CTE program under Sec. 61a.

(19) The department shall approve at least 3 high school equivalency tests and determine whether a high school equivalency certificate meets the requisite standards for high school equivalency in this state.
