Questions were answered in the recording.

00:35:08   Jon B - Farmington: Aranet makes a good CO_2 data logger. We have two
            used periodically here in Farmington. Used last year after parent concern in a
            particular classroom. Shows temp and relative humidity as well. Can be
            purchased on Amazon.

00:38:48   Tim Peraino:
