

Michigan School Business Officials 2026 BOARD CANDIDATE

Rick Webb, CTO
DIRECTOR OF TECHNOLOGY
KENOWA HILLS PUBLIC SCHOOLS

PROFILE

I am eager to serve on the MSBO board to bring unique perspectives in the K-12 setting beyond the business office. MSBO plays a critical role in advancing certification and training for K-12 leaders, and I'm passionate about continuing to expand these efforts to benefit all member groups. With over 29 years of experience in K-12 education, including 13 years as an MSBO conference attendee and 9 years planning conferences, I have developed a strong network and deep understanding of educational leadership. I'm passionate about fostering collaboration and creating synergies between organizations. My involvement with other K-12 tech organizations in the State of Michigan equips me to bring innovative ideas and strategic partnerships to the board. Plus, having a tech guy on the board is always a bonus!
